## Handyman

Handyman (han.di.man) n. 1. One who performs a routine household task with skill and dexterity: The *handyman*, an elderly gentleman without a stain on his overalls, was painting the railing when he noticed a bubble under the old coat. He pulled a straight pin out of his pocket, and popped it; loosened the flakes with his finger, and sanded the surface so that when he spread a fresh coat of paint on the railing, the stroke of the brush was smooth, lustrous and flawless.
