Open Access (OA) is the free, immediate, online availability of research articles coupled with the rights to use these articles fully in the digital environment. Open Access ensures that anyone can access and use these results.

(SPARC: <https://sparcopen.org>)

OA Funding Opportunities

Interested in publishing open access?

The Furman University Libraries can help with that!

Furman Libraries Open Access Fund - Pays up to \$1,000 in article processing charges (APCs) per author per year. Read the guidelines and apply for funding here: <https://libguides.furman.edu/oa-fund>

Wiley Read and Publish – Furman researchers may publish articles in Wiley publications at no cost to themselves.

Open Library of Humanities – Furman researchers may publish in Open Library of Humanities publications at no cost to themselves.
