It's a gorgeous college campus. Not many other campuses come close to the gardens and beautiful water features...it's a fabulous place from which to graduate! My son loved it! 💚

Furman is awesome any day and every day 365 days a year!! So glad our son is #furmanbound.

I spent a couple of weeks on campus in the summer of 1972. I still remember the beauty. The bell tower. The swans. AND the Falcons in training! Most of all though, I remember sitting in the rose garden one afternoon, reading and praying. There was a gardener tending the roses, deadheading. He clipped one perfect Peace rose, my favorite rose of all time, and brought it over to give to me. I'll never, ever forget that special, superb moment of my life.

Thank you, Furman University.
