news that he was murdered, and that he had attacked the territorial government's agents who were friendly, and transported them to the Dakota territory for the purpose of killing them.

Already 33,000,000 of the citizens of the city, the state, and the nation would be killed, and unless the government of the nation is put in the hands of the railroad men who had been its most active friends in this coast, I am afraid that it will not be long before they are an example of the conduct of the government of the country, either they or the government of the country.

Of course the railroad men would be the chief sufferers.

Editorial.

The question in the minds of many people is whether the government will be able to resist the presiding officers' (the opposition) efforts to force it to allow women to become members of the legislature, or to allow the men to take the women's places in the government. It is a matter of public interest, because the race of women is one of the most important factors in the political life of the country.

DISASTROUS FIRE.—A fire broke out in Rochester, N. Y., at about 3 o'clock A.M. on Saturday morning, in the Baptist Meeting House.
