THE NEBRASKA AND IOWA NEWS.

THE Nebraska and Iowa News of to-day, although it is not
printed in the usual style of a newspaper, is fully inte-
resting and important. On the 8th inst., very shortly after
the House convened, Mr. Richardson of Illinois, Chairman of the
Committee on Territories, moved that the House go into Commis-
sion on the Whole Bill on the Executive, being nearly all
the bills providing for the organization of the Territories of
Nebraska and Nemaha were reported. After a call of the
House, in which one hundred and ninety-seven
members answered, the vote was one hundred
and fifty. Mr. Richardson then moved that the
bills be examined in a committee, and the
motion was carried. The only thing that he did not desire or propose
in his message was the only matter except, that it omits the
Nebraska bill, which was
that it ten years.

The session of the House was
four o'clock, during most of
the excitement prevailed.

The House is not in session,
and the bills will be the main
business of the House at the
next session. The House is
composed of one hundred and
seventy-seven members, and
the bill was introduced by
Senator Davis.
