CLASS NOTES POLICY

Because of the large number of submissions and cappings, Furman reserves for the magazine's class notes section and the time needed to review, compile and edit so much information, news items frequently are not published until six or eight months after they are submitted.

Furman magazine does not publish dated items (anything more than 18 months old at time of publication) or engagement announcements. When sending news for class notes, please include your class year or class name, whether your spouse is a Furman graduate, and the date and city where the birth or marriage occurred.

When writing electronically about alumni couples who graduated in different years is included under the graduation date of the submitter. In other cases it goes under the earliest graduation date. It is not listed with both class year groups.

Send news to the Office of Marketing and Public Relations, Furman University, 3300 Poinsett Highway, Greenville, S.C. 29613, or e-mail to alumni@furman.edu. Selected information submitted to the online alumni registry (http://alumni.furman.edu) is included in class notes.
