MONEY AND COLLEGE: A TIMELESS ISSUE?

Money is on everyone's minds these days. College students learn quickly how to pinch a penny. Given the tenor of today's times, the question arises: Are money-saving techniques timeless?

During your years at Furman, what did student life cost? How did you make ends meet? The Special Collections and Archives Department of the James B. Duke Library is interested in tracking this information by collecting financial traces of days past, such as scholarship statements, textbook receipts, and ticket stubs to athletic events or concerts.

If you are interested in donating such items, contact Danielle Fisher '09 at (864) 294-2194 or e-mail danielle.fisher@furman.edu.
