## Special membership offer from Cliffs Communities

**F**urman and The Cliffs Communities, private, residential golf communities located north of the campus at the edge of the Blue Ridge Mountains, have developed a strong partnership in recent years. Residents of The Cliffs at Glassy and Cliffs Valley have taken full advantage of what the university has to offer, while Furman has taken some of its continuing education classes to the Cliffs facilities so the residents can have easier access to them.

The partnership became even stronger this summer when The Cliffs Communities announced that it is offering Furman alumni, faculty and staff certain membership opportunities at special "Furman" rates. Ordinarily, membership is available only to property owners within The Cliffs Communities.

In particular, the Cliffs is offering two special membership opportunities — the Social Membership and the Valley Associate Membership.

The Social Membership provides for privileges at the clubs' various dining facilities, including The Cliffs at Glassy Clubhouse, Cliffs at Keowee Vineyards LakeHouse and Club Cottage, and the Cliffs Valley Clubhouse, which will open in October. The Valley Associate Membership provides for a

temporary golf membership at Cliffs Valley and for some reciprocal play at The Cliffs at Glassy and The Cliffs at Keowee Vineyards.

Membership fees are reduced and a portion of the membership fees paid will be returned to the Furman Alumni Association. Regular monthly dues apply. The membership programs will be available on a limited basis.

The Cliffs at Glassy, Cliffs Valley and The Cliffs at Keowee Vineyards are premier, private residential communities located between Greenville and Asheville, N.C. The Cliffs feature three championship golf courses, including The Cliffs at Glassy, which was named the "fourth most beautiful in the country" by *Golf Digest*. Ben Wright is the designer of the links-style course at Cliffs Valley, and Tom Fazio is the architect for The Cliffs at Keowee Vineyards.

For more details about these special memberships, as well as information about fees and dues, visit Furman's Web site at [www.furman.edu/admin/univrel/cliffs.htm](http://www.furman.edu/admin/univrel/cliffs.htm). Those interested in taking advantage of the membership offer should call the Cliffs membership department at 864-895-0220 and ask for Patt Fero or Mimsy Demars.
