Hosted by Furman University's Department of Art, the exhibit "Lineage: Tom Flowers & Family," featured the work of Tom Flowers, who taught art at Furman from 1959 to 1989; Mark Flowers; Kristy Higby; Carson Higby-Flowers; Morgan Higby-Flowers; Virginia Griswold and Tia Flowers. In "Lineage," the artists honor the creative spirit that has grown through three generations and inspired six visual

artists, all connected through family ties. The exhibition showcased works by Flowers' son, daughter, daughter-in-law, grandsons and granddaughter-in-law. It included acrylic painting, sculpture, mixed media narrative paintings, street photography, small metals wearable art, electronic integrated art and glass sculpture.
